BRTA Bus Schedules

All schedules are available in print at Pittsfield ITC in Downtown Pittsfield, by mail or email when requested, and online at www.berkshirerta.com/plan-your-trip

How to Read the Bus Schedule

Our bus printed bus schedules are all formatted in the same way. Here is what you need to know!

- A. When the schedule is active.
- B. Route number and end points /terminals
- C. Major destinations or transfer areas along the bus route
- D. How to contact BRTA for more information.
- E. Describes the style of bus service (local/express) and how the bus travels. Stops listed are "timepoints" where the bus is scheduled to stop.
- F. Days of operation. Not all routes run Monday - Saturday.
- G. These are major stop times. Read schedule across line from left to right to plan your trip!

Identifying Your Bus

As the bus approaches you, be sure that it's the one you need before trying to board! The headsign message board above the front windshield will identify that bus' route number and final destination. BRTA fixed route buses are a variety of colors (green, yellow, or red) but never purple. Purple BRTA buses are only for ADA service clients, they will not stop when flagged by any other customers.

A. The headsign displays the route the vehicle is traveling. Buses not transporting customers display "Not in Service"

B. These four digits are the vehicle number. These numbers are only used to identify this specific BRTA vehicle within the fleet.

ADA Compliance Statement

BRTA buses are fully compliant with the American's with Disabilities Act (ADA) and any updates. Our vehicles are fully accessible and use either passenger lifts or ramps to aid entry and exit from the bus. All customers may request use of lift or ramp at any time. Some BRTA buses will "kneel" to reduce step-up. Contact BRTA for more specific information.

Tips for Traveling with BRTA

Thank you for choosing to travel with us! To help us serve you better, remember these helpful tips and rules:

- ▶ **Arrive at your bus stop** at least five minutes before the scheduled departure time;
- ▶ **Have your bus fare ready!** If paying with cash, make sure that you have exact change only. Drivers do not make change. If using CharlieCard - make sure it is out and ready to tap. If reloading CharlieCard- you must have at least five dollars and always tell the driver that you want to reload **before** inserting money into the farebox;
- ▶ **Allow customers using mobility devices** to board or exit the bus before you do;
- ▶ **Once on board the bus** - quickly find a place to sit, or if standing, hold the hand rails at all times;
- ▶ **Keep children seated**, always keep your feet or packages off the seats and out of the aisle;
- ▶ **When ready to exit the bus** - pull the “stop request” cord at least 1 block before your stop so that the driver can safely slow down;
- ▶ **Once off of the bus**, never cross in front of the bus. Always wait for the bus to pull away before crossing the roadway and cross only if necessary.

Bikes and Buses

All of our buses can transport bicycles! Combining your bus ride with a bike trip is a great way to get from point A to point B. Bikes are only carried on the bike rack outside of the bus; bikes are never allowed inside of buses. BRTA is never responsible for bike damage or theft. Bikes must be loaded/unloaded by the customer and are transported at the customer’s own risk. No trikes, tandem, or heavy electric bikes allowed on the bike rack. Bike rack space is first come-first served only.

Follow these 4-steps to safely load/unload bikes from buses:

Squeeze handle to release latch; if rack is empty, lower rack. Remove loose items from bike. Bike rack is lightweight and easy to raise/lower when empty.

Load from the curb or in front of the bus. Lift your bike into the slot starting with the slot closest to the bus.

Raise and secure the control arm over the tire to keep your bike in place. Never lock bike on rack. Check to make sure bike is secure before boarding the bus.

When leaving bus: inform the driver you will be unloading the bike. Lower the arm; remove your bike. Fold up the rack and step away from the bus to the curb!

Paying for your Bus Trip

BRTA bus drivers collect customer fares on board buses at the time of boarding. Electronic fareboxes accept US currency (\$1, \$5, \$10, \$20 bills and all change including \$1 coins but excluding half-dollar coins) as well as CharlieCard pass and stored-value payments only.

Types of Fares and Transfers

Local Fare: travel within (1) town plus (1) connecting town

Local Transfers: FREE received on CharlieCard when paying a Local Fare. Valid for only (60) minutes, on another route, and do not reload once used.

System Wide Fare: travel across (3) or more towns.

System Wide Transfers: FREE received on CharlieCard when paying System Wide Fare. Valid for only (75) minutes, on another route, and automatically reload onto the CharlieCard if used between connecting routes.

What is CharlieCard?

CharlieCard is BRTA's reusable “stored value” smart card. “Store value” (put money) on your CharlieCard a long with max (2) bus passes. As you ride, fare is deducted from balance on card. For example, \$20 stored-value CharlieCard is good for \$20 worth of travel. Transfers are only available when paying with CharlieCard.

Full Fare CharlieCard are available from the bus driver (\$5 minimum applies) and at Pittsfield ITC.

Reduced Fare CharlieCard are only available from Pittsfield ITC with proof of eligibility.

Add cash value or ride passes to the card at Pittsfield ITC or when boarding vehicles. Simply tap your loaded CharlieCard on the fare box to pay or add value. A discount is available when paying with CharlieCard. **Call BRTA for more information about traveling with CharlieCard.**

BRTA Customer Code of Conduct

BRTA enforces a Customer Code of Conduct. Failure to follow the rules could result in denial of future services. No smoking, playing music without headphones, drinking alcoholic beverages, or eating allowed on buses. Strollers/shopping carts must be folded and all mobility devices secured. Non-alcoholic beverages must be consumed from spill-proof containers. The complete BRTA Code of Conduct, all fare policies, other BRTA services, accessible documents, and other helpful links are available online at www.berkshirerta.com/plan-your-trip

What is BRTA?

Berkshire Regional Transit Authority (BRTA) is one of (15) regional transit authorities in Massachusetts. We strive to help people get to work, to school, to doctors’ appointments, to the grocery store, to visit family, and more while using our public transportation services. BRTA provides traditional fixed route and paratransit services across (27) Western Massachusetts communities, six days per week, with limited evening and no Sunday service.
